COMMERCIAL AND MONEY MATTERS.

For sale of Stocks at the Exchange, see Last Page There was a reaction to day in the Stock Market. and the fancies, in some cases, improved 2 or 3 per cent.

Exchanges continue dull. Sterling is quoted 81 281. France 5.271 25.261. The earnings of the Mohawk Railroad for the week ending Jan. 7th, in '45 and '46 were as follows :

| 1845 | 1846 |
| Receipts for Passengers, &c. \$647 94 \$479 75 |
| Proportion of Western Freight 280 96 750 76 |
| Total \$928 90 \$1,237 51 |
| Increase, \$308 61—or thirty-three and a third per cent. The total earnings of 1845 were \$98,540 96 |

The Ohio Life and Trust Co. has declared a dividend of 4 per cent for the last six months. The business of this Company has been very large and profitable durand of mother boat which snagged in coming up, and ing the last year, and it might have declared a much larger dividend.

HAY—A sale of 400 or 500 bales was made to-day for Southern shipment at 95 cents. The market ranges from 90 to 25 cents for fair parcels. The advices from Indiana are favorable to the adoption of the plan recommended by Mr. Butler. It was unanimously adopted by the Committee to whom it was referred, and a bill was to have been reported, on the 3d inst. In relation to this matter we find the following paragraph in the Cincionali Gazette:

The belief gains ground daily that Indiana is determined at once to enroll her name among the debt-paying for the last proposition of Mr. Butler finds lavor.

States. The last proposition of Mr. Butler finds lavor. The advices from Indiana are favorable to the

The belief gains ground daily that Indiana is determined at once to entoil her name among the debt-paying States. The last proposition of Mr. Butler finds lavor among all parties. The Joint Committee have, we understand, agreed to report a bill for that purpose.

Mr. Bright, the State Agent, has declared himself in

Mr. Bright, the State Agent, has declared himself in favor of the provision—so says the Nadison Benner, and a letter published in that paper, "from a distinguished member of the House." dated the 29th ult. says that Mr. Butler's proposition with slight modifications, requiring the bond-holders to furnish the entire funds to finish the Canal, looking to its income and assets for remuneration." will be acceptable to the Legislature; and I think a law will pass this Winter to commence the payment of the interest on our bonded debt." We have seen similar opinions from various other quarters.

The "Democrats" at a County Convention in Laport County, boldly declared that the State is able to pay—that provision ough to be made for payment, and they instruct their Representatives accordingly.

Indiana is coming.

We do not yet receive the yearly statement of the

We do not yet receive the yearly statement of the earnings of the Norwich and Worcester Road. When the stock was high and certain parties were "long" in it, the reports were very prompt and regular. Can it be that the earnings of the Road were larger last year than would be politic to have made public t The Bank of Kentucky has declared a dividend

of two and a half per cent. per share.

lared a dividend of four per cent, for the last 6 months, payable on the 15th inst. The Delaware and Raritan and Camden and Am-

boy Railroad Cos. have declared a dividend of five per nt, payable at the offices in this city and Philadelphia on the 17th inst. The Philadelphia North American says:

The demand for money still exceeds the supply, and sit is understood the Banks are rather curtailing than

as it is understood the Banks are rather curtaining than extending their discount lines, the rate of interest has advanced for paper offered in the street. That of the class considered A I may be quoted at 9 to 12 per annum, and as our monied men are not disposed to take any paper, the drawers of which are not well known, it is very difficult to procure the money on it even at higher

rates.

In our review of last week we noticed the fact of the indebtedness of Boston, New-York and Baltimore to this city, and as a result of this indebtedness, we understand that notes, drafts, &c. payable at those points, are not taken by our Banks here unless at a discount. Within the last week about 400,000 dollars in specie have been received from New York, in part liquidation of their balance, which after this payment, is still, we learn, upwards of 300,000 dollars.

A bill have present the House of Representatives of A bill has passed the House of Representatives of

Tennessee, directing the President and Directors of the Bank of Tennessee to reduce the number of branches to four—one in each division of the State, and the other at the most suitable point. It is believed that the bill will Room, (now occupied by the Anglo-American Church) No. 366 Room occupied by the Anglo-American Church No. 366 Room occupied by the Tennessee, directing the President and Directors of the The following, says the Pettsville Miners' Journal,
